- To work with the Locality Manager to contribute to the development, implementation and monitoring of the service plan and continuous improvement of the service.
- To deputise for the Locality Manager

This is a front-facing role which requires fluency in the English Language.

### Structure Chart

## Main Duties and Responsibilities

**The Team Leader is required to meet the National Occupational Standards for Managers:**

### Specific duties:

- To effectively manage the day-to-day work of the team.
- To ensure that the Three Tier Conversation model is consistently applied.
- To provide cover for other Team Leaders as needed.
- To carry out supervisory and management functions as needed.
- To work with others to develop and maximise the benefits of links with services provided in the NHS, voluntary and private sectors to ensure that customers receive the best possible support at the earliest stage.
- To manage systems that ensure that the risks to vulnerable adults are minimised.

### Managing Self and Personal Skills

- To ensure continued professional development record is maintained.
- To develop professional networks to achieve your personal work objectives.

### Providing Direction

- To understand the environment in which the service operates.
- To contribute to the development, implementation and monitoring of the service plan and continuous improvement of the service, including systems for following up calls.
- To promote equality as an integral part of the role and to treat everyone with fairness and dignity.

### Facilitating Change

- Work with teams to adapt to changing circumstances and provide innovative services that meet needs of customers.
- Implement organisational change as required.

### Working with People

- Ensure that staff receive full induction, and provide regular supervision and support, and an annual Appraisal to team members.
- Effectively manage the performance of staff including monitoring absence, by implementing Council policies and procedures – especially those relating to Safeguarding, Mental Capacity Act.
- To ensure that all staff are offered opportunities, relevant to their role, for ongoing training and development.

### Using Resources

- To ensure that the teams use resources effectively by making appropriate judgements regarding the provision of information, advice, dealing with simple short-term interventions and referring to other teams.
- Promote the use of technology in the service
- To recognise health and safety is a responsibility of every employee, to take reasonable care of self and others and to comply with the WBC Health and Safety policy and any service-specific procedures / rules that apply to this role.

## Main Duties and Responsibilities

### Achieving Results

- Ensure that data about performance is regularly and robustly reviewed to support continuous improvement.
- Build on the organisations understanding of its market and customers and how they complement and affect the services you are responsible for.

## Scope (impact on/control of resources, people, money etc)

- Assisting the Locality Manager to ensure cost effectiveness and value for money.
- Making decisions about commitment to short-term spending arrangements.
- Responsible for managing staff resources effectively.
- Responsible for the recruitment, retention, deployment, and management of staff team.
